Outcomes:

**all children will:** have enjoyed taking part the activities using body percussion, singing and playing pBones; have a developing knowledge about how brass instruments work and the importance of good posture; musically contribute to a performance of two simple pieces with body percussion, voices and instruments; have a developing understanding of duration and pitch; listen, watch and maintain a rhythmic pattern in an ensemble; listen and respond to music; have an awareness of how to discern between and behave in both performance and non-performance situations.

**some children will:** use body percussion, sing and play with good posture controlling their voice and instrument to produce a musical sound; know how brass instruments work and how to hold a pBone correctly; sing and play two short pieces by ear; improvise short musical patterns rhythmically and melodically; understand and describe pulse, duration, pitch and dynamics; display a sense of aural awareness in their control of pulse, duration, dynamics and tone quality.

**a few children will** develop further and will be able to use body percussion, singing and playing the pBone to contribute the two pieces through improvisation; improvise a musical pattern as a solo activity in relation to a given pulse; understand and describe pulse, duration, pitch and dynamics in appropriate musical terms; suggest how they can improve their playing; listen discerningly to music and be responsive to different rhythms, enjoy communicating with an audience.

**BROADER EXPECTATIONS**
Children will learn to work together as a team with some taking both leading and following roles. They will gain confidence in performing together and will respect others’ contributions to the ensemble. Their concentration will improve and they will be highly motivated. They will develop greater self-esteem.
